How to Play

- 1. Print and cut** — Print pages 3–6 single-sided, then cut along the lines. You'll have 31 cards.
- 2. Pick a card** — One player draws a card and reads it aloud. Everyone answers the same question — even the grown-ups!
- 3. Share your why** — The answer is only the start. Ask “Why?” after every card — the reasons are the best part.
- 4. Play anywhere** — Kitchen table, classroom circle, car ride, or waiting room. No screens needed.

Four ways to play

- Around the table — classic
- Car-ride round — just read them aloud
- Classroom circle — pass the stack
- Bedtime pick — one card before lights out — no rush, just one

House rules

- Everyone answers every card.
- No wrong answers.
- Grown-ups play too.
